

NOTICE 7 – HAPPY DIWALI – 10TH NOV 2020

Dear Parents,

Greetings for the festival from Kasiga School!

Hope all is well and everyone is safe in your family. With Diwali round the corner, I would like to wish you all a very ' Happy & Safe Diwali '.

I hope this Diwali; we all become more and more concerned about our environment. We need to care for creation and preserve our habitat and resources for future generations to cherish and enjoy. Wishing you a blessed, green and joyous Diwali!

As per the government guidelines schools can now reopen for the board classes. After a considerable thought and keeping in mind the recent surge in the Covid 19 cases, we are planning to reopen the school in January; the date will be shared with you soon. The school will give 2-3 weeks travel notice to the students.

Happy Diwali once again.

Warm regards,

Sonali Sinha

Head of School
